

# Membership Committee

Dick & Mary Lou Mullins  
Chairpersons

The Family & Friends and the Condominium Programs were a success thanks to so many dedicated RPYC Members. Numerous members of the Membership Committee, Board of Directors and Clubhouse Staff were present at one or more of the five Saturdays in January answering questions about the Club and our Membership Special - the \$1,000 Initiation Fee. They gave many tours of our beautiful Clubhouse and marina then joined prospective members for the Hot Dog Day Buffet. We profoundly thank each and every one of you for your time and effort in promoting RPYC. It goes to show: *a positive attitude causes a chain reaction of positive thoughts, events, and outcomes.*

We have added a great new twist to the LINKS - New Member Social. We invited all our New Members to the LINKS - New Member Social that was held on Saturday, January 16. Many current (I almost said old) members were present at this event as well because it included a delicious Progressive Dinner AND outstanding entertainment. The theme of the evening: "Stroll Down Memory Lane" with music by the marvelous *Reminiscents*.

We have a plenteous number of wonderful New Members! One way to learn our New Members' names is by stopping at their tables when you see the New Member burgee and making introductions. Dick and I are hoping, by the end of the Family & Friends and the Condominium Programs, additional New Member burgees will need to be ordered! Invite New Members to attend upcoming Committee meetings, Royal Adventurer goings-on, cruises, as well as the countless activities on the Club calendar.

Stay alert for the February billing statement insert which will provide highlights of our January campaign success and features of our membership program going forward. We certainly would appreciate receiving your ideas, thoughts and suggestions.

A final note, Membership folders are always available in the RPYC Office for you or a prospective member to pick-up anytime the Club is open.

Look for the RPYC  
table burgee and say  
hello to our new friends.

Here we are already one month into the New Year with a little cool weather behind us, and perhaps a little more ahead of us. For those cool Florida mornings and evenings that may lie ahead, stop by and see our new RPYC fluffy bathrobes, and terry cloth house slippers. They're just what you need to keep warm whether at home, or on the boat! We are also continuing to take orders for our unisex Club Jackets in all colors and sizes - and we are still stocking our ladies' and men's hooded zip front sweatshirts. These sweatshirts go fast during cooler temps, so stop in and get one!

February means Valentines Day, so all you sweethearts stop by and check out some great gifts. We are featuring our Ladies RPYC Sweetheart shirts on sale, as well as costume jewelry, and our fine jewelry RPYC Burgee slides.

Additionally, we encourage our new members to stop in and check out our RPYC logo wear ranging from T-shirts to dress shirts. As always, we stock our ties, belts, caps, visors, jackets, and a variety of other items. We also encourage members to check out our RPYC license plate frames, trunk magnets, crystal glassware, and Tervis. If you are a boater, be sure to display our wonderful RPYC crossed flag decals and burgees, and preserve those burgees with a great custom RPYC burgee cover!

As always, Kathy and I continue to look for new items - which keeps our sale rack changing, so stop in and check us out, or just stop in and say hi. We love to see and talk to all of you!
