

# House Committee

Vice Commodore Herb Schneider  
Chairman

## Outside PA System

Our major open project is to add external speakers in the marina so that everyone on the docks and boats can hear the Fleet Review program. The new PA system will also be available for other events, such as Independence Day Weekend. Installation, coordinated by Gary Tapken, will be completed prior to this year's Fleet review.

## Thank You for Your Contributions

I wish to thank all members of the House Committee and its various subcommittees for your enthusiasm and accomplishments during the past year, and our entire membership for supporting our fund raisers - the Fall House Committee raffle, the VIP parking silent auctions, and the 50/50 drawings at the Ladies' Luncheons and Skippers' Breakfasts. In particular, I would like to thank our subcommittee chairs for making it happen: Food and Beverage, Susan Fay; Wine Club, Mary Clausen; Decorating, Dottie Hecklau, Burgee, Rick Simon; Skippers' Breakfasts, Richard Borys; Housekeeping and Safety, Wally Alves and Jim Passauer; House Rules, Karen Freel; Storage, Bruce Miller, and Hospitality, Ann Johnston. Major improvements to our clubhouse included new storage racks and teak office furniture contributed by Joan Ervin; teak cabinetry in the office purchased with House Committee funds; covers to prevent damage to our expensive stage lighting; Kentucky Derby equipment for our annual party; the member bulletin board in the corridor next to the Harbor Lounge; end table and potted plants to enhance décor; and a light laser, spots, stands, and wash lighting for entertainment events. Other major initiatives included the Hospitality Volunteer program to greet visitors from 11:00 a.m. to 2:00 p.m. daily; development of a new procedure to periodically update our menus; development of a brochure to explain the Personal Burgee process; and several updates to our House Rules. Truly an impressive list!

## Everyone Welcome

We especially invite you to join the House Committee, which is open to all RPYC mem-

# Entertainment Committee

Cathy & Ralph Sangiovanni  
Chairmen

As we wrap up another very successful year of fabulous entertainment at our gorgeous Club, we wanted to take the opportunity to thank our very dedicated committee, hosts and hostesses, and of course all the members who participated in making this a great year. We had some super entertainment this year and we have some awesome things planned for you going into next year. As always we are looking for new ideas and suggestions as to what you want in entertainment and we will use our expertise to keep the party for sure. Please consider volunteering to serve on our committee or host a party. We will be glad to assist you after you volunteer. Guaranteed - it's painless and lots of fun.

This month don't miss the 2-for-1 Prime Rib Night on the 4th. Karlo will be entertaining and it should be a fun night. For the Change of Watch on the 25th, we have the return of our Big Band with at least 12 pieces. *JJ & Company* was a big hit the last time they performed so this is sure to be a very elegant evening as we welcome our new Flag Officers and Board. Chuck Peterson will return in October for a Progressive Dinner. He was quite a crowd pleaser last time with his Tribute Show. He is very talented and does great impersonations of many of our favorites. In November we have the return of the Keith Coleman Review which was the couple everyone raved about with all the costume and wig changes. They will be doing an all new 50's-60's show on Fleet Review Weekend. Also, we have a Toga Party planned for later in the month of November. The Snowflake Ball and New Year's Eve round out the year. And of course Friday night entertainment is ongoing for Pub Night. Hope to see you at the Club enjoying all the FUN!

bers. As you can see by the diversity of our initiatives, we are involved in very interesting activities that support and enhance our Club. Our meeting dates have been changed to Tuesdays at 9:30 a.m. Come to our next meeting, Tuesday, September 7, 2010 at 9:30 a.m.

# Buildings, Grounds & Harbor Committee

Rear Commodore Pat Roushi  
Chairman

It is hard to believe that the year is coming to an end already but it has been a year of hard work, good suggestions, solid decisions and within budget.

My thanks to all of the members of these committees for not only their participation in hands on projects, but for attendance at the monthly meetings and being a major part in suggestions and decisions made by the committees.

Rick Scheinert oversaw the Buildings duties and made sure that deficiencies were recognized and addressed. He also personally built the replacement doors for the storage building.

Bob Minahan (with direction and hard work from Linda Mattos) headed up not only the maintenance of our grounds but initiated the Adopt-a-Plant program and was hands on in the work parties to plant and mulch the front islands. Thanks also to all of the members who worked hard to get the island projects done.

Gary Tapken headed up the harbor duties and participated in the various work parties that addressed maintenance and upgrades for the marina. Many thanks to the members who helped in those who gave their time and labor to complete the projects.

Sandy Leathers continued to track and keep up to date the slip leases and worked hard to get new boats into the marina.

With all that was completed, I know that there are more projects to undertake and more decisions to be made about our facilities and I am confident that with the new leadership of Rear Commodore Elect Phil Johnston that we will continue to move forward.

Again, my thanks for everyone's help in making my year as Rear Commodore a very satisfying one.
