

Club Manager's Report - Jason Little

September is here again. The year just seemed to fly by. It's a big month for the Club as we begin to close out our fiscal year; many worthwhile events are taking place. After the Annual Membership Meeting on the 14th we will have RPYC's traditional Italian night for our members. For those that have not participated in this worthwhile event, you have missed one of the nicest evenings that our Club puts on. I recommend that you make your reservations early as the window tables are first to go.

Our 4th Annual Scotch and Wine Dinner will be held on the 22nd. Some members attend the Wine club events simply for the top notch gourmet dinner. Just remember when you call to make your reservation let us know if you will or will not be having wine that night.

To be a Commodore of a Yacht Club like ours requires someone who is strong willed, dedicated and a proven leader. It takes years of being a devoted member prior to having the honor of serving a Club like ours in that capacity. It also takes a special type of person to take on such a large task. Like many preceding Commodores, he was able to find a personal project and bring the idea to fruition. Because of his inspiration, the Fleet Review painting is displayed adjacent to the wine room. We thank Commodore Williamsen for all that he has done for the Club over the past year. This is only one reason why you should not miss the Change of Watch scheduled for the 25th. Another is that we will be congratulating Vice Commodore Schneider on his next advancement. Please show your appreciation by attending this gala event.

On occasion we must do a little "housekeeping". As a reminder, cell phone

AUGUST Employee of the Month FLUKE THURMAN

Randolph "Fluke" Thurman takes the award for the employee of the month. He is often found working a pasta station or occasionally the omelet station on Sunday brunch. Many of our members have commented on his great personality. He has also put in a little extra time helping our new Chef become acquainted with our facility. Please give Randolph a big pat on the back for doing all at that he does.

SEPTEMBER Employee of the Month MELANIE ARNERI

Melanie has been with the club for nearly 8 years and holds a double title. As Accounting Manager, she is responsible for all the daily and monthly accounting procedures. Melanie was quite an asset to management during our renovation because of her eye-to-detail talent. The Systems Manager talents that she has acquired keep us all on top of using our equipment. She doesn't hesitate to scope out new programs and equipment to save us money. Next time you are in the Club, drop by the front office and congratulate her on a job well done.

are to be tuned on silent upon entering the Club. Cell phones may be used in the common areas and outside on the deck. The dining rooms are intended for polite conversation and the enjoyment of quality cuisine. Hats should be removed when entering the building. Mom made me do it and our house rules state that you must also. Please remind your guests about dress codes at the Club. I realize that fashion is important to some people, but if our Club is to stand out as a exclusive establishment, we must keep to the rules. Very short shorts or skirts are not allowed in the Club. It has also been noticed that some of the designer jeans have holes cut into them. Regardless of how much those jeans cost, they cannot be worn in the Club. Please, help me with these "housekeeping" items by explaining to your guests what is expected prior to joining you at the Club.

KEMORR
recommends either of
these beverages to sip and
watch our spectacular sunsets.

Keylime Colada

A favorite from the last
Ladies' Summer Gathering.
Tastes like drinking a
chilly key lime pie! \$6

100 miles per hour

You have to try this one just
for the name alone. \$8
